STATEMENT OF OBJECTS AND REASONS

Government have been experiencing much difficulties in checking effectively the smuggling of sandalwood and red sanders. In order to prevent the smuggling of sandalwood and red sanders effectively it is proposed to impose restrictions on the felling of sandalwood trees, the import, export, possession and movement of sandalwood and the possession and movement of red sanders.

2. The Bill seeks to amend the Kerala Forest Act, 1961 for the above purposes.

FINANCIAL MEMORANDUM

The Bill, if enacted and brought into operation, would not involve any expenditure from the Consolidated Fund of the State.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Section 51B in the new Chapter VIIA proposed to be inserted in the Kerala Forest Act, 1961, by clause 2 of the Bill seeks to empower the Government to make rules prescribing the form of application for a licence under section 51A and the form of, and the particulars to be contained in, such licence, for the grant of duplicate licences and renewal of licences and prescribing the fees for the grant or renewal of licences and for the grant of duplicate licences.

The matters with respect to which rules may be made under the new section 51B are matters of an administrative or routine nature. The delegation of legislative power is therefore of a normal character.
